

CHILDREN'S MINISTRY TEAM MEMBER

COMMITMENTS

Christians who hold offices and positions in the church are required to be examples in faith, conduct and business affairs. To maintain a high standard for Team Members is the best way to present Christ to the people of our community.

After observing the Children's Ministry, spending time in prayer and discussing with my family the commitment involved with being on the Children's Ministry Team, I choose to commit to the following:

- I acknowledge the lordship of Jesus Christ in my life and have a personal relationship with him.
- I am a loyal member of Village Church and I am in agreement with the fundamental doctrines of the church and in supporting my church through regular attendance in services, activities and financial gifts.
- I am committed toward growing and maturing my relationship with God through quiet times, active participation in training and leadership courses, and involvement in accountable relationships.
- I am committed to choices and lifestyle that are both godly and "above reproach," knowing that my lifestyle is a model for the children.
- I am committed to being loyal to the Senior Pastor, all of his associate Pastors, the officers of the church and all Ministry Team Directors as well as all other Ministry Team Members.
- I will be faithful to the Children's Ministry services and activities that relate to my Ministry position as well as participate in all called Ministry Team meetings and training sessions.
- I will make a committed attempt to win souls while helping to recruit new Team Members to volunteer for our growing need in the Children's Ministry.
- I understand Village Church Mission Statement as well as the strategy of the Children's Ministry and commit to help fulfill the purposes and care for the children God brings into the ministry.
- Because I am making a significant commitment and my presence is important, I agree to be consistent and on time to the program(s) I commit myself to as well as being neat in appearance.
